Quarantine Measures

Dear Parent / Carer,

It was wonderful to be able to open our gates this morning and to see so many smiling faces. My thanks go to the many of you who have been so supportive and appreciative of the efforts of our staff team since March. In warmly welcoming everyone back, I need to remind you all of certain restrictions which are still in place.

It is vital that **all** parents respect the quarantine measures that are currently imposed by the UK government. Thanks to those parents who have informed us of reasons why their children are not able to attend presently. We all wish to return to normality as quickly as possible, but this can only be done if there is confidence throughout our community that everyone is behaving responsibly and honestly.

As a school, we are obliged to accept, trust and rely on the information we receive from parents. This we do willingly. I should make you aware that there are both children and staff who are more at risk of becoming unwell than the rest of the population. As such, please play your part in restoring confidence to our school by acting with integrity.

Kind regards,

Mr Simon Jackson
